

Welcome to our New Members

Elesa Doll, with **Coldwell Banker Commercial Mountain West Real Estate** specializes in commercial property, as well as assisting in office and retail space needs. Major clients include US Bank and Excelsior Management Group. She currently has many foreclosed properties listed for sale. Elesa is also the Broker Project Representative on the **295 Church Project** that is being built on the corner of Church and Trade Streets in downtown Salem. At 295 Church, Cascadia is constructing twenty-seven residential condominium units on the top three floors. A new City of Salem Information Technology facility will occupy the second floor. Along with 1,800 square feet of retail space, the ground floor will be anchored by new studios and offices for Salem's public access television station – Capital Community Television. **Contact Elesa Doll at 503-373-3089 or visit www.cbcre.com.**

Events at Copper Hill, is a completely renovated facility featuring the charm of the past, with the advantages of today. From the soaring cedar ceilings and “floor to ceiling” fireplaces in the entry and grand halls, the exhibition kitchen with original artwork, the spacious conference/reception hall with huge rough-hewn beams, to the comfortably furnished lower lounging area, Copper Hill accommodates a variety of gatherings from 25 to 225 guests. Add to this, the venue management team, exclusive on-site caterer, state-of-the-art media and sound systems, house provided furnishings, linens and dinnerware, and a terrific central location with ample free parking and you can expect an outstanding, stress-free event every time. **Contact Lacey Stark at 503-373-3170 or visit www.eventsatcopperhill.com.**

Fischer, Hayes & Associates, P.C.
Certified Public Accountants

Group Six Communications is headquartered in Salem, Oregon. They provide both resale and facility-based products to customers in

Oregon, Washington, Idaho, Montana, North Dakota, South Dakota, Minnesota, Iowa, Nebraska, Wyoming, Utah, Nevada, Colorado and New Mexico.

At Group Six Communications, our goal is to provide you with a quality product at the lowest possible price. The owners of Group Six Communications have more than 70 years combined experience in the telecommunications industry. In cooperation with their sister company, **Radix Networks LLC**, they have developed the only facility-based **Residential Multi-Tenant Services (RMTS)** system available in the marketplace today. They also offer an array of commercial products designed to support businesses of all sizes, as well as a basic residential package for your home. Call to learn more about how they can customize a telecommunication solution that will benefit your business, home, or multi-tenant property. **Contact Shawnie Good at 503-585-4040 or visit www.groupsixcommunications.com.**

Jacobson Companies is a national 3rd party logistics and warehousing company (3PL) dedicated to helping customers achieve a greater return on their supply chain management activities. They add value by offering a complete package of services, such as warehousing services, contract packaging, full truckload carrier, temporary staffing, and freight management. They think you will be pleasantly surprised that they will **“Do It Right The First Time with a Can Do Attitude”**. Since 1968, Jacobson's Warehouse Services have been at the core of their integrated supply chain solutions. Whether it's stand-alone warehousing or value-added services to serve your needs, they handle your products as if they were their own. They handle warehousing and distribution for Kettle Foods with a staff of 20 full-time employees. They also just signed a deal to service Ashland Chemicals distribution in Portland. **Contact Mike Puentes at 503-485-5171 or visit www.jacobsonco.com.**

Mount Angel Chamber of Commerce welcomes you to Mt. Angel Oregon – a wonderful place to visit! Nestled between farmland and foothills, Mt. Angel is located 18 miles northeast of Salem on Highway 214. This little town founded in the late 1800s by German settlers has an Old World flavor which is heightened by the many Bavarian style storefronts and the beautiful Benedictine Abbey. Mt. Angel celebrates their German heritage each year during the Oktoberfest, when more than 300,000 people attend the four-day festival which has been held in Mt. Angel for more than 40 years. Oktoberfest starts on the second Thursday after Labor Day and continues through Sunday. **Contact Maureen Ernst at (503) 845-1031 or visit www.mtangelchamber.org.**

One of the many stained glass windows at St. Mary's Church.

Welcome to our New Members (continued)

New Energy Works Timberframers

For over twenty years, **New Energy Works** has been one of the nation's preeminent timber frame builders. They offer a range of services including timberframe design, fine woodworking, timber frame enclosure services utilizing SIP's and some of the most elegant and lyrical timber frames in the industry.

They've had the privilege of working with some great clients. Some have been struggling young couples who want a modest home in the Finger Lakes region of New York – others have been high-end architects and builders creating magnificent lodges high in the mountains of Colorado. Their common denominator is the love of fine wood, elegant design and old-world craftsmanship. They are members of U.S. Green Building Council. **Contact Iain Harrison at (503) 754-4117 or visit www.newenergyworks.com.**

SMI Commercial Real Estate, LLC was formed in 2004. The principles are **Catherine G. Miles, CPM, ARM** and **Brian K. Miles, CCIM, CPM**. Both are also principles in Shelter Management, Inc. Both

businesses, while separate entities, share the same address and work in unison with each other. The combined staffs of these two businesses bring over 55 years of Commercial Real Estate and Commercial and Residential Real Estate Management to their clients. With three Certified Property Managers (CPM) and one Certified Commercial Investment Member (CCIM) they access some of the best professional real estate education available. They firmly believe that the only way to stay on top of real estate trends is to merge these efforts. Day to day management, the ever-changing costs of owning and operating income real estate, combined with sales and leasing cycles are now monitored as useful tools for the benefit of their client's needs and wants. This requires good communication and constant interaction. All this combined with a full time marketing manager makes for direct effective targeted marketing for sales and leasing. **Contact Lisa Anderson at 503-390-6060 or visit www.smicre.com.**

Oregon Community Foundation is a statewide nonprofit organization that administers permanent charitable funds established through gifts and bequests from individuals, families, businesses and other organizations. OCF was established in 1973 by

community leaders who saw the need for a common investment and grant management vehicle for private charitable gifts. They provide a variety of charitable funds and gift options to help Oregonians make a difference. Through this philanthropic giving, a wide variety of critical needs in our state are being met each year. OCF currently manages over 1,400 permanent funds with assets over \$1 billion. **Contact Maureen Thomas at 503-779-1927 or visit www.ocf1.org.**

Shelter Management Inc.

offers a full spectrum of expertise, knowledge and talents, and has demonstrated their value to Salem area property owners and tenants since

1976. Shelter Management services both commercial and residential properties, with hands-on, day-to-day attention that only a locally based property management firm can provide. The SMI team believes in working closely with tenants, on-site managers and property owners to assure satisfaction among all parties. MI reduces costs by reducing vacancies and providing timely, effective maintenance – enhancing the value of your property and satisfaction among tenants. SMI has created systems and networks that ensure the most effective service to property owners and tenants. The SMI team prides itself on accountability and cost-effectiveness. **Contact Catherine Miles at 503-585-6176 or visit www.smiproperty.com.**

STACKHOUSE

Stackhouse Athletic Equipment has 60 years of innovative product development in team sports equipment including Track & Field, Volleyball, Football, Soccer, Baseball, LaCrosse and Field Markers. They provide the best value for your dollar, and also the quality and performance that come with their strong lineup of medal-winning products. In 2007, on top of securing the world distance record, the **Nordic Carbon Airglider** was thrown for a new American record of 91.29 M. The **Nordic Diana** carbon was also used for Gold and Silver medals at the 2007 IAAF Grand Prix. Their line of ATE discus, shots and hammers, along with their **Newton** blocks are the choice of top athletes around the world. Combine this with their same day shipping service, and you have a winning combination designed for your complete satisfaction! **Contact Chuck Rinehart at 503-363-1840 or visit www.stackhouseathletic.com.**

Willamette Valley Multiple Listing Service, Oregon's first MLS, is an

organization that collects and organizes the real estate listings of all its member brokers in one centralized place to allow other brokers to cooperate in assisting the buyers and sellers they represent. Real Estate Brokers and Appraisers throughout Marion, Polk, Linn and Benton counties have utilized this non-profit organization since its inception in 1949. WVMLS is completely member-owned and operated, with a staff of dedicated, long-term employees. **Contact Jay Gordon at 503-399-8657 or visit www.wvmls.com.**
